

500^L
TREKKING

A silhouette of a man and a child standing on a beach at sunset. The man is on the left, holding a surfboard under his arm. The child is on the right, also holding a surfboard. The background is a bright, golden sunset over the ocean.

500L TREKKING.

LIFE EXPLORER.

Each day might bring unknown territory, just waiting to be explored. But venturing out there with interest and agility requires talent. Like that of the new **500L Trekking**, a free spirit with two perfectly fused souls which love to play off one another every day: one metropolitan, for breezing through the city, and one more adventurous, perfect for those little outdoor emotions that make life worth living. If you want new challenges, face them with the 500L Trekking.

"A FREE MAN
CAN'T STAY
IN BED".

Aristofane

TACKLE EVERY MOMENT OF THE DAY IN THE
RIGHT STYLE.

It's time to go out and breathe in a bit of life. Best to do it in immaculate style. The **500L Trekking** has a flawless **crossover look**, high ride and specific bumpers with protective shield as standard. It also has a host of details that enhance its style, such as the new **17" diamond-finish alloy wheels**, **satin handles** and **brushed steel side mouldings**.

“EXPLORE.
DREAM.
DISCOVER”

Mark Twain

CONVENIENCE IS AN EXCELLENT POINT OF DEPARTURE FOR APPRECIATING THE WORLD.

The journey begins as soon as you get on board, because the **500L Trekking** is an exclusive space to experience freely: **3.17 m³ of passenger volume, up to 455 litres of load volume**, a welcoming interior and **intelligent technology** that keeps you in contact with the world, but only when you want to be.

"AS WE
THINK,
SO WE LIVE!"

Demostene

A WEALTH OF **INNOVATIVE SOLUTIONS**
FOR AN ORIGINAL APPROACH TO TACKLING
EVERY SITUATION.

Which road will you take today? With the **500L Trekking** you can switch from city streets to more adventurous routes at the press of a button, thanks to **Traction+**, the innovative control system that guarantees excellent performance when tackling slippery surfaces. The 500L Trekking is also equipped, as standard, with **M+S (snowflake) tyres**, which are ideal even in the most difficult situations.

A car which was born for the great outdoors can't help but be eco-conscious. The new **500L Trekking** has the lively **1.4 TJET 120HP** engine that is both eco-friendly and economical. It is combined with a 6-speed manual gearbox, to exploit its potential to the full. The 500L Trekking engine ensures fun driving, great range and low running costs.

1.4 16V T-Jet 120 HP

Displacement (cm ³)	1368
Emissions level	Euro 6

MAINTENANCE AND REPAIR SERVICES

Customers who chose a Fiat 500L Trekking car know that they can count on a vehicle that is technologically innovative with state-of-the-art safety and also on a world of solutions and services, designed to meet all the needs of both car and driver. The Fiat 500L Trekking is fully personalisable, and that also applies to the way you buy and own it, due to a range of options that have been developed for you.

Warranty Services:

Welcome to the world of Fiat. Our vehicles have established a fine reputation as exceptional value for money, coupled with the famous Italian flair for design. It is part of what makes Fiat such an exceptional brand. Every Fiat comes complete with a comprehensive warranty and maintenance package that is equally exceptional. The 3 year/100 000 km warranty ensures car coverage against manufacturing defects that will be resolved free of charge and with the use of original parts. Terms and conditions apply.

The revolutionary and award-winning MultiAir Engine, which powers the whole Fiat 500 range, comes with a 3 year / 100 000 km Maintenance and Warranty Plan.

The Warranty Offers:

- 36 months from the date of sale, to a maximum of 100 000 km travelled during the 36 month period
- 36 months on the paintwork
- 60 months with specific reference to anti-corrosion

The Maintenance Plan Offers:

- All scheduled services during the 36 months, up to a maximum of 100 000 km
- Wear and tear repairs during the 36 months, up to a maximum of 100 000 km travelled

The Fiat 500L Trekking has a 30 000 km service interval, with no oil changes in-between.
