JEEP® COMPASS

Jeep®

IT DOESN'T TAKE MORE THAN ONE DRIVE TO KNOW WHERE THIS LEGENDARY CAPABILITY COMES FROM. COMPASS IS PURE JEEP®.

JEEP® COMPASS LIMITED

BEAUTIFULLY CRAFTED INTERIOR.

Slide into the refreshed Compass interior and be treated to all the style, cabin comforts and roominess you require. Soft-touch surfaces, quality materials and perforated leather trim lay the foundation for a premium look and feel. New front and rear door switch bezels and door trims feature satin silver touches. A new shifter bezel sports soft-touch paint, satin chrome accents and an appliqué of the iconic seven-slot Jeep® grille, while an updated instrument panel shows off a Compass badge. Both the centre and rear-door armrests showcase a new cut-and-sewn treatment. For the comfort and convenience of all passengers, automatic temperature control, power windows, power locks, power adjusting and heated foldaway exterior mirrors, remote keyless/illuminated entry, illuminated cup holders and cruise control are standard on Compass.

SOUNDS OF THE OUTSIDE WORLD SEEM TO DISAPPEAR THANKS TO A NEW ACOUSTIC WINDSHIELD.

uconnect

» PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect® Phone is the in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone's address book[6] — up to 1000 entries — every time you get into your vehicle.

» VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or make calls. Record voice memos. This smart system technology can also be trained to better recognize your voice.

» ENTERTAINMENT. Manage all of your media. You'll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, audio jack, hard disc storage, Voice Command and Bluetooth Streaming Audio.

KEEPING YOU CONNECTED. Engineered with technology, Uconnect brings a range of communication and entertainment services straight to your Compass. From music to travel destinations, there are many convenient, must-have, user-friendly options to choose from.

Jeep
INTUITIVE TECHNOLOGY
THAT KEEPS YOU CLOSE
TO THE PEOPLE AND PLACES
THAT MATTER MOST.

INSPIRATION IS THE SEED OF INNOVATION.

Every litre of this interior is mapped and calculated to achieve the optimal ratio of guests and gear. There's ample cargo storage behind the second row, or fold the 60/40 split fold-flat rear seatbacks down to reveal a generous 1519 litres of room. And because every adventure needs a great soundtrack, opt for the available Technology Group including the Boston Acoustics® Nine-Speaker Premium Sound Group that includes a subwoofer and two articulating liftgate speakers.

DEDICATED TO DETAILS.

Compass incorporates design cues inspired by nature. Whether you're stimulated visually by exterior details, stirred by the rhythms from the sound system, or relaxed by the warmth streaming through the open sunroof, when you drive Compass your senses will soar. Make every ride more relaxing with the available Technology Group including the Boston Acoustics® Nine-Speaker Premium Sound Group with 368 watts of clean power. The premium Boston Acoustics speakers are renowned for their smooth, octave-to-octave tonal balance. Opt for the available sunroof and enjoy the fresh air, sun or starlight with express open/close operation.

WITH AN ABUNDANCE OF SAFETY AND SECURITY FEATURES AVAILABLE, IT'S SAFE TO SAY COMPASS HAS YOUR BACK.

PARKVIEW® REAR BACKUP CAMERA.[2]
This available system is designed to assist the driver in detecting obstacles out of the line of sight when driving in reverse.

HEATED POWER EXTERIOR MIRRORS.
Melt snow and ice off your sideview mirrors as you warm up your interior. This available feature also helps to keep your mirrors ice-free as you drive.

ELECTRONIC STABILITY CONTROL (ESC).[3]
An advanced system designed to assist drivers in maintaining control of the vehicle at all times. It integrates a four-wheel Anti-lock Brake System (ABS) with hydraulic Brake Assist, all-speed traction control and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle's actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

NEXT GENERATION MULTISTAGE FRONT AND SIDE-CURTAIN AIR BAGS.[4]
These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS.[4] Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs.

HALOGEN PROJECTOR HEADLIGHTS AND FOG LIGHTS.
These bright sources of light improve down-road visibility at night or during inclement weather.

FRONT-SEAT ACTIVE HEAD RESTRAINTS.[5]
In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the headrest and the occupant's head, thereby helping to reduce the chance of injury.

NEW PARKVIEW REAR BACK-UP CAMERA.[2]

DESIGNED TO DELIVER THE CAPABILITY OF AN SUV AND THE FUEL EFFICIENCY OF A COMPACT CAR. EFFICIENT AND ABLE TO ACHIEVE UP TO 6.1 L/100 KM EXTRA URBAN CYCLE, THE 2.0L FOUR-CYLINDER ENGINE CRANKS OUT A HEALTHY 115kW AND 190 Nm — AN IMPRESSIVE PERFORMANCE FOR AN ENGINE THIS SIZE. IT'S MATCHED TO A 5-SPEED MANUAL 2WD TRANSAXLE.

CVT2

The Continuously Variable Automatic Transaxle II (CVT2) with AutoStick uses a 30-mm high-strength multilayer steel drive belt and two active V-pulleys to vary vehicle speed, resulting in a smooth and quiet ride. The AutoStick shifter puts optimal vehicle performance under your command — a driver-interactive manual control with six simulated stepped-gear ratios. Available*

CAPABILITY

From advanced automotive engine technology to the sure-footedness of the Euro-tuned suspension, Compass offers true performance.

*Late availability.

LIMITED

IMPRESSIVELY ELEGANT BOTH OUTSIDE AND IN, LIMITED MODELS BOAST A DISTINCT CHROME GRILLE ON THE EXTERIOR WHILE SATIN SILVER ACCENTS AND DISTINGUISHED PREMIUM LEATHER-TRIM SEATING FILLS THE INTERIOR.

STANDARD

- 2.0L DOHC 16V VVT engine-FWD
- 5-speed manual transmission including Hill Start Assist
- Bright roof side rails
- Anti-lock Brake System (ABS)
- Electronic Stability Control (ESC)[3]
- Brake Assist
- Electronic Roll Mitigation (ERM)
- Speed Control
- Fully independent Euro suspension
- Sentry Key® anti-theft engine immobiliser
- Heated leather-trimmed front bucket seats
- Power six-way adjustable driver's seat
- Front-passenger fold-flat bucket seat
- Leather-wrapped steering wheel with speed and audio controls
- Speed-sensitive power locks
- Remote entry/illuminated entry
- Vehicle Information Centre
- Tyre Pressure Monitoring Display
- Uconnect® 431 CD/DVD/HDD radio
- Automatic Temperature Control (ATC)
- 12-volt accessory power outlet
- Power heated, body colour folding mirrors
- Fog lights
- 18-inch cast aluminium wheels
- Security System
- Fold flat load floor storage
- Bi-Function Halogen Projector Lights
- Soft Tonneau Cover
- USB Port
- Tinted Glass
- Acoustic windshield
- Front Active Head Restraints
- Advance multi-stage front driver and passenger air bags
- Supplemental side air bags
- Curtain air bags
- Interior removeable/rechargeable flash light
- Rear 60/40 split recline seats

INTERIOR TRIM

1. Leather Trim — Dark Slate Gray with Light Slate Gray accent stitching
2. Leather Trim — Light Pebble Beige with Dark Slate Gray accent stitching

1. Bright White - PW7
2. Deep Cherry Red Crystal Pearl - PRP
3. Black - PX8
4. Bright Silver Metallic - PS2
5. Maximum Steel Metallic - PAR
6. Mineral Gray Metallic - PDM
7. True Blue Pearl - PBU
8. Billet Silver Metallic* - PSC

*Limited availability

1. 18-inch Polished Wheel with Mineral Gray Pockets (Standard). 2. 18-inch Painted Aluminium Wheel (Available).

POWERTRAIN

Engine	2.0L DOHC 16V dual VVT I-4
Displacement (cc)	1 998
Kilowatts (kW @ rpm)	115kW @ 6 300
Torque (Nm @ rpm)	190 @ 5 100
Fuel System	Sequential multiport, electronic fuel injection

TRANSAXLE

Transaxle 5-speed manual with overdrive, ratio range (:1), 3.77 – 0.72 (1st – 5th); final drive ratio: 4.12	Std.
Continuously Variable Automatic II (CVT2) with 30mm high-strength multilayer steel drive belt, ratio range (:1), 2.35 – 0.39; final drive ratio: 5.8	Opt.

DRIVE SYSTEMS

Front-wheel-drive (2WD) transaxle with constant velocity joints and equal-length half-shafts	Std.

EXTERIOR (mm unless otherwise specified) (base)

Wheelbase	2 635
Overall Length	4 465
Overall Width	1 812
Track (front/rear)	1 520/1 520
Height (with roof rails)	1 718
Ground Clearance	205 fr/209 rr
Approach Angle	19.5˚
Breakover Angle	20.6˚
Departure Angle	28.5˚

INTERIOR (mm unless otherwise specified) (front/rear)

Seating Capacity	5 Adults
Head Room (front without sunroof/rear)	1 033.7/1 013.9
Leg Room (front/rear)	1 032.1/999.7
Shoulder Room (front/rear)	1 380.4/1 372
Hip Room (front/rear)	1 328.8/1 294.5
Cargo Volume (up to seat back / up to roof)	
- Rear seat up	328/458
- Rear seat folded	725/1 269

Litres measured by std. ISO3282

CAPACITIES/WEIGHTS/TOWING (kg unless otherwise specified)

Fuel Tank (Litres)	51.5
Base Kerb Weight, 5-speed manual	1 421
CVT2 automatic transaxle	1 455
Payload Capacity (includes occupants and cargo)	925
Maximum Gross Vehicle Weight Rating	2 010
Maximum Loaded Trailer Weight (braked)	1 200
Tongue Load Limit	60

NOTE: For specific towing details, discuss your plans with your Jeep® dealer who will help you select the right equipment to meet your specifications.

BODY/SUSPENSION/CHASSIS

Body Design

Unitized steel construction with a structural safety cage utilising advanced hot-stamped, tailor-rolled, dual-phase steel technologies and advanced joint design for added strength, reduced weight and improved NVH, front crumple zone

Suspension, Touring-Tuned

Front: Independent with MacPherson struts, coil springs over gas-charged shocks and stabiliser bar;
Rear: Independent multilink with coil springs, gas-charged shocks, link-type stabiliser bar

Steering	Power-assisted, rack-and-pinion
Overall Ratio	16.4:1
Turning Diameter (kerb-to-kerb)	11m
Turns (lock-to-lock)	2.76
Brake System ABS 4-wheel disc hydraulic, power-assisted, 294x26 vented front/262x10 solid rear	Standard
Electronic Stability Control (ESC)[3] 4-channel, 4-wheel anti-lock with active wheel speed, vehicle-speed, steering-wheel angle, yaw-rate and lateral-acceleration sensors, vehicle stability management with two-stage activation switch, all-speed traction control, Brake Assist, Electronic Roll Mitigation and Electronic Brake Distribution	Standard

STANDARD FEATURES

LIMITED EVIC, heated leather-trimmed front bucket seats, power six-way adjustable driver's seat, Uconnect 230 radio (RB2), Automatic Temperature Control (ATC), 18-inch aluminum wheels. Leather-wrapped steering wheel with cruise control and audio controls.

INCLUDES: 2.0L DOHC 16V dual VVT 4-cylinder engine, 5-speed manual transmission with Hill Start Assist (HSA), bright roof side rails, Anti-lock Brake System (ABS), Electronic Stability Control (ESC)[3], Brake Assist, All-Speed Traction Control, Electronic Roll Mitigation (ERM), Speed Control, advanced multistage front and supplemental side-curtain air bags, 4 fully independent touring-tuned suspension, Sentry Key® anti-theft engine immobiliser, speed-sensitive power locks, remote keyless entry, Tyre Pressure Warning Light, 12-volt accessory power outlet, outside temperature gauge, power heated folding mirrors, fog lights.

OPTIONAL: Continuously Variable Automatic Transaxle II (CVT2) with AutoStick.

(1) Do not attempt water fording unless depth is known to be less than 279.4 mm. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (2) Always check entire surroundings before backing up. (3) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning light flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (5) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (6) Phone must support Bluetooth Phone Book Access Profile (PBAP).
